Please note that all colours shown on this chart are 'approximated colours' and are to be used as a guide only. Colours illustrated are reproduced as closely as modern printing techniques allow. All colours are based on sealed surfaces. Please see Precautions and Limitations on the back of this brochure before choosing colours. Designer colours are made to match the COLORBOND® steel colour range and should be used as a guide only not for colour accuracy. COLORBOND® is a registered trademark of Bluescope Steel Limited. Go to www.domcrete.com.au and follow the links to view the COLORBOND® colour ranges and their complementing Cover-tex colours.
